

Reducing Sexual Harassment: A Day of Discussion, October 10, 2018

Discussion Topic:

Facilitator:

How many people participated in the discussion?

As part of this session, we are asking groups to report out on the areas, action items, and ideas that should be prioritized in order to effectively reduce sexual harassment at our institution. Please take time to record ideas discussed in your group.

Priority Areas
Resources
Barriers
Strategies to Overcome

In your opinion, what is the one take-away from today's session?

Anyone could be struggling with the issues discussed today. If you or someone you know are in distress, please reach out to one of the event's organizers and they will direct you to appropriate resources available for university students and employees.
